

MULL & IONA

Driving on single track roads around our stunning island is a big part of any holiday on Mull. To help maximise your enjoyment here are a few tips:

- Drive as slowly as you like so that you can enjoy the view. But please watch your mirrors and use the first available passing place to let cars from behind pass you.
- Regardless of which side the passing place is on, always pull in to the left.
- Passing places are not parking spaces.
- Wave a thankyou when someone pulls in!
- Watch our video at www.mullroads.co.uk

The logo for Mull & Iona features the word "MULL" in a gold, serif font above a stylized blue ampersand, which is followed by the word "IONA" in the same gold, serif font. The background of the entire image is a scenic view of a coastline with a sandy beach, green hills, and a blue sky with light clouds.
